

TERRAPIN TRAIL CLUB * OLD TIMERS

This address list is the result of many conversations at the Old Timers Reunion of cavers in Franklin, West Virginia. How Many times I've heard "wheres old so-and-so" I can't count. Anyway, for those persons who were in Trail Club from about 1960 to 1965 this list may be helpful in locating old so-and-so s. Many people are missing from the list because I didn't have time to track them down or I just plain forgot. Send in current addresses of anyone you think may be of interest to Trail Club old timers. This list could lead to a reunion some time. Correspondence to me can be addressed to Trail Club-Old Timers Address List (OTAL).
